

# POSITION DESCRIPTION

**Position Title:** Exploration Geologist

**Department:** Mineral Resources

**Number of direct reports:**

**Location:** Tuvatu, Fiji

**Roster:** TBD

**Reports to Position:** Exploration Manager

This Position Description describes your role and accountabilities. It also includes key relationships, inside and outside Lion One, and the skills, knowledge, experience, and behaviours that are vital to your success in the role. At times you may be expected to perform reasonable additional duties that are related to your role but are not specified in your position description as directed by your supervisor.

## Purpose

To provide strategic leadership for the Mineral Resource (MR) department of Lion One. The incumbent is responsible for planning, monitoring, reporting and delivery of all MR activities. The key objective of the role is to increase the value of the mineral resource asset through improved utilisation, resource growth, discovery, or acquisition/divestment.

## Key Accountabilities or Activities

- Manage the delivery of approved work programs
- Implement discovery strategies
- Contribute to maintaining Lion One tenement package
- Contribute to Lion One joint venture exploration activities
- Human Resources – recruitment, training and succession planning
- Accurate development and maintenance of Lion One geoscience data
- Orebody knowledge and mineral system studies
- Assist and writing reports
- Implement business improvement programs

## Code of Conduct

- Adherence at all times to the Lion One Code of Conduct. The code provides standards for appropriate ethical and professional behaviour. It is based on Lion One's values of Safety, Integrity, Action and Results which form the basis of, and underpin all of Lion One's business relationships

## Safety, Health, Environment and Community (SHEC)

- Demonstrate safe behaviour at all times and comply with the site's standards and procedures in SHEC.
- Promote awareness of SHEC practices and imbed a safety culture
- Demonstrate effective performance in achieving agreed SHEC goals that support the department site and company standards
- Demonstrate leadership in SHEC through personal behaviours and conversations
