

POSITION DESCRIPTION

Position Title: Health and Safety Trainer

Department: Mineral Resources

Number of direct reports: 10

Location: Tuvatu, Fiji

Roster: TBD

Reports to Position: Mine Manager

This Position Description describes your role and accountabilities. It also includes key relationships, inside and outside Lion One, and the skills, knowledge, experience, and behaviours that are vital to your success in the role. At times you may be expected to perform reasonable additional duties that are related to your role but are not specified in your position description as directed by your supervisor.

Purpose

To provide excellent health and safety skills to Lion One Metals.

Key Accountabilities or Activities

- Develop safety policies, procedures and systems based on a best practice approach and ensure continuous improvement in order to meet the highest industry standards
- Support Safety goals while ensuring Operation Targets are met
- Maintain awareness of safety regulations amongst all employees
- Identify major hazard areas in the mine and develop and implement risk management strategies
- Develop and implement a change management strategy and program
- Other duties assigned by the Mine Manager

Code of Conduct

- Adherence at all times to the Lion One Code of Conduct. The code provides standards for appropriate ethical and professional behaviour. It is based on Lion One's values of Safety, Integrity, Action and Results which form the basis of, and underpin all of Lion One's business relationships

Safety, Health, Environment and Community (SHEC)

- Demonstrate safe behaviour at all times and comply with the site's standards and procedures.
- Promote awareness of SHEC practices and imbue a safety culture
- Demonstrate effective performance in achieving agreed SHEC goals that support the department site and company standards
- Demonstrate leadership in SHEC through personal behaviours and conversations
