

# POSITION DESCRIPTION

**Position Title:** Heavy Duty Mechanic

**Department:** Mine and Equipment

**Number of direct reports:**

**Location:** Tuvatu, Fiji

**Roster:** TBD

**Reports to Position:** Maintenance Manager

This Position Description describes your role and accountabilities. It also includes key relationships, inside and outside Lion One, and the skills, knowledge, experience, and behaviours that are vital to your success in the role. At times you may be expected to perform reasonable additional duties that are related to your role but are not specified in your position description as directed by your supervisor.

## Purpose

To provide excellent repair and maintenance for the Mine and Equipment Department of Lion One.

## Key Accountabilities or Activities

- Check all mining equipment for proper performance and inspect equipment to detect faults and malfunction
- Implement solutions for all defects and malfunctions and ensure equipment downtime is minimized
- Equipment removal, installation, alignment troubleshooting and repair
- Adjust equipment and repair or replace defective parts, components or systems using hand and power tools
- Test repaired equipment for proper performance and ensure that work meets manufacturers' specifications
- Clean, lubricate and perform other routine maintenance work on equipment
- Perform repair work on heavy trucks and other mobile equipment
- Open work- orders, find parts and complete parts list in work-orders using all available resources
- Other duties assigned by the Maintenance Manager

## Code of Conduct

- Adherence at all times to the Lion One Code of Conduct. The code provides standards for appropriate ethical and professional behaviour. It is based on Lion One's values of Safety, Integrity, Action and Results which form the basis of, and underpin all of Lion One's business relationships

## Safety, Health, Environment and Community (SHEC)

- Demonstrate safe behaviour at all times and comply with the site's standards and procedures in SHEC.
- Promote awareness of SHEC practices and imbed a safety culture
- Demonstrate effective performance in achieving agreed SHEC goals that support the department site and company standards
- Demonstrate leadership in SHEC through personal behaviours and conversations

## Position Required Capabilities
